

## **NO DUMPING PERMITTED**

Please note that dumping of debris, grass clippings, leaves, or other yard waste in drainage ditches or any common area within Greensprings West is strictly prohibited. It has been noted that some homeowners are using the common areas at the back or sides of their property to dump their grass clipping and/or shrub/tree trimmings. These open conservation areas are the responsibility of the Greensprings West Owners' Association and are not to be used for dumping yard waste. Please contact your trash service and arrange for the proper disposal of these items. For more information, please contact
